CONQUEST MOTORHOMES

SuperNova

A rare celestial phenomenon; a star that emits a vast amount of energy.

Off the map, on the mark.
Living off the map doesn't mean you have to live like it. Our spacious living quarters feature a well-equipped galley, space-saving entertainment center, stain-resistant plush carpet, comfort-plus furniture, and H-ducted ventilation system giving you all the comforts you would enjoy at home.

6331 Comfort Plus/Dream Dinette
for easy conversion from dinette to bed and back.

6331 & 6362 Bathroom highlights a residential neo-angle shower with glass door while the 6372 (not pictured) gives you a fully enclosed shower in the bathroom.

6331 Bed Room features a large King bed with a large wardrobe closet, expansive windows, and a flat-screen TV.

6331 Flush Floor Slide Out for a clean residential feel!
Top Ten Checkpoints!

SuperNova offers an optional extra safety feature in the Back up Monitor. Gives you extra viewing behind the RV.

The SuperNova has nearly 7' interior ceilings for a residential look and feel with 6 foot ceilings in the slideroom.

The SuperNova offers the Comfort/Plus Dream Dinette for easy conversion from dinette to bed and back.

Value, Added

The SuperNova includes flush floor slides for a clean residential look and feel.

Conquest has eliminated the carpeting on the built in stair well to make the cleaning process easier and to add traction so there is less likely to be slipping when maneuvering in and out of the vehicle. Several models also have the magnetic door stays that are easy to use and dependable.
**Pre-Drilled Hardwood Construction**

**SOLID HARDWOOD CABINETRY**

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed, then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading, and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

**Competitor's Cabinetry**

**Galvanized Steel Storage Compartments**

Unlike traditional plywood and foam seating Comfort Plus Seating features the strength of steel and the comfort of a sprung dinette cushion.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

**Added Value**

Excellent Weathering - Maintaining the vehicle's quality appearance enhances its resale value.

Tear Resistance - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

**Coach-Net**

24 HR. EMERGENCY ROADSIDE ASSISTANCE
- One Year Coach-Net Membership
- Towing and Winching
- Delivery of emergency Fluids
- Flat Tire Change
- Jump-Starter / Battery Boost
- Mobile Mechanic
- Lockout

**2 Year Unlimited Mileage Transferable Warranty on Structural Components**

G.O.L.D. Program

(Gulf Stream Ownership Lifetime of Dedication)

Gulf Stream is dedicated to our customers and their enjoyment of our products. Our golden promise is to call you within four weeks of the new vehicle purchase date welcoming you to the Gulf Stream family. This call, made by your dedicated customer care person, is to let you know that if you ever need assistance with the operation of components, troubleshooting, or if you ever need to locate an authorized service center, you can rest assured that help is but a phone call away. With the G.O.L.D. Program we'll be there for you for the lifetime of your RV.
**Superior Towing Capacity**

The front windshield features over 2,000 sq. in (12,903 sq. cm) of glass for excellent visibility. The one-piece design, thicker outer glass and swept-back angle increases safety and noise control while helping to deflect road debris.

- GCWR - 33,000
- GVWR - 25,500

Three-step prime/base/clear coat process for hood and cab provides outstanding resistance to corrosion and fading, lowers maintenance costs and increases resale value.

- 70 Gallon Fuel Tank

A clean frame rail CA (cab to axle) simplifies body and equipment mounting.

- VT365 International Diesel; 300 HP

Standard composite construction headlights with halogen bulbs are longer-lasting and easy to replace for increased uptime.

- Heavier Duty 2500 Series Allison Transmission!

Powder-coated components resist rust, chips and scratches for added durability and longer-lasting good looks.

- 266" Wheel Base

A set-back axle provides outstanding maneuverability and a tight turning radius, making it easier to negotiate through cramped spaces, which increases driver efficiency and productivity.

*towing based on model and customer load requirements
**CONSTRUCTION...**

Quality, Comfort, Strength and Value are four great words to describe our mind set while designing and constructing the conquest lineup of products. You can see and feel the quality and attention to detail we gave every component. From the strength of our foundation, roof, floor and sidewalls, down to the comfort of our seat cushions, nothing was skipped.

**SUPER STRENGTH TRUSS SYSTEM**

The super strength truss system is unmatched in the class industry. The structural subfloor foundation begins by welding a network of steel web trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

**TUFF-TRUSS**

*6000 lbs.*

**Conquest Motorhomes, Dare to Compare**

1. Seamless Fiberglass Flexroof Designed to Resist Staining and Maintain Quality Appearance; Dissipates Heat and Prevents Tree Limbs from Tearing or Scratching Roof.
2. Lauan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provided Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded By EPS Insulation.
5. Bubble-Wrapped Foil Insulation Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged Welded Tubular Aluminum Roof Framing.
7. Rugged Heavy-Gauge Tubular Aluminum, Fixture Welded to Form the Sidewall Framing.
9. Interior Wall Panels Securely Laminated to Sidewall Framing.
11. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
13. Floor Decking Laminated to Steel Floor Structure Assures a Quiet, Long-Lasting Rigid Floor and comes with a 10-Year Warranty.
14. Heavy-Gauge Tubular Steel Floor Framing, Fixture Welded for Extra Strength and Stability.
15. Heavy-gauge Tubular Steel Framed, Fixture Webbed Floor Truss System Provides the Strongest Class C Foundation in the Industry.
16. Seamless Layer of Galvanized Steel Securely Laminated to the Steel Floor Framing.
17. Galvanized Steel Used to Form Each Storage & Holding Compartment.
18. Durable All-Weather Carpeting Completes Each Accessible Storage Compartment, Providing Extra Protection for Luggage and Valuables.
19. Rust-Proof Paint Coating Applied to All Steel Framing Assures Corrosion and Rust Protection.
20. The Industry's Strongest, Most Spacious Exterior Storage Compartments.

Chassis
- Dual rubber torsion axles
- RV style rear stab jacks
- Single manual step

Structural
- Laminated white fiberglass exterior
- Laminated white pebble grain roof
- T&G marine grade plywood flooring
- 7’6” interior height
- 98” interior width
- Curbside entry door
- Dual rear swing doors with dual ramps

Electrical
- 12V DC interior lighting
- (1) 12V Battery with fuse panel
- Exterior rear flood lights
- 7-way trailer plug

Decor
- Arctic panel interior

Miscellaneous
- (2) fire extinguishers
- Smoke detector
- Carbon monoxide detector
- (2) non-power roof vents

Popular Options
- Aluminum wheels
- Spare tire
- Full body paint
- Graphics package
- Aluminum exterior ladder
- Double curbside swing doors with dual ramps
- Black TPO flooring
- 2,500 lb curbside ramp entry door (NA 12T and 18T)

Popular Options cont.
- 5,000 lb electric rear ramp door with hinge (NA on the 12T)
- 3,000 lb ramp door (12T only)
- 110V - 12V DC Cooler freezer tray
- Microwave
- 11,000 BTU low profile A/C with a heat strip
- White pebble grain interior IPO Arctic panel
- Cabinet package (includes wardrobe & workbench)
- 30 AMP service with (1) 20 AMP GFI outlet, shore cord and 60 AMP service
- 1200 WATT inverter with (2) 6V batteries, shore cord and 30 AMP service
- Fluorescent lights
- Helmet storage and container
- Fresh water tank sizes vary: 66 gal 12T; 76 gal 18T; 98 gal 24T and 30T
- 24 gallon fuel station with pump (24T and 30T only)
- 98 gallon heated water tank with 12V pump and exterior shower (24T and 30T only)
- D-ring tie down system
The Conquest Checkpoint is the outward physical symbol of our role as industry leaders. Our exacting standards for creating the best possible RV Customer experience are the direction the rest of the industry seeks. Beyond the beaten path, to a new destination.

Conquest constantly looks to the future, casting a clear vision of "the next big thing" and making it happen. We don't follow trends; we set them. Beyond imagination, to reality.

Conquest Motorhome Division is a member of the Gulf Stream Coach family of products. As a privately owned company with nearly 25 years of RV manufacturing experience, Gulf Stream has set itself apart from the rest of the RV industry by giving the market exactly what it's looking for. We are constantly talking to our customers and dealers, taking their suggestions and implementing them in our products. We also use Lean Manufacturing Techniques, Six-Sigma Quality Control, Creative Standardization and 5S practices to maximize our production efficiency and eliminate waste. Our efficiency has received accolades from Vincennes University for Total Quality Management. These practices have also gained recognition from the state of Indiana, as we have received the Indiana Governor's Award for Recycling, making us one of the few eco-friendly manufacturing companies in the industry. All these initiatives go back to one goal... To give you the highest value product offerings, quality construction, innovative features, contemporary designs, and unmatched service and on-going support.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. Go to www.streamers.gulfstreamcoach.com for more information.
